Forever

Overflow

From the very moment I first met You
I was captured by Your every word
Lord I'd be such a fool to forget You
And the message I have heardForever You have loved me
Forever and a day
Forever You have loved me
ForeverWell I don't know how I ever got here
And I don't know what the future holds
But there is one thing that I can be sure of
There is one thing that I knowForever You have loved me
Forever and a day
Forever You have loved me
Forever(Forever)
I will worship You my Father
I wanna dance around Your throne
(Forever)
I will worship You my Father
(Forever)
You aloneForever You have loved me
Forever and a day
(Forever)
Forever You have loved me
ForeverForever You have loved me
Forever and a day
(Forever)
Forever You have loved me
Forever(Forever)
You have loved me
(Forever)
Before there was time You've loved me
(Forever)
Forever
Forever
(Forever)
