Ugliness And Secretions

Autopsy

Drool dripping from your chin
Yellow eyes, rotten grin
Home of insects and disease
Rancid excretions, deadly breezeOpen sores, gaping wounds
Smegma, tartar, decayed nose
Fermented fungus, pungent rot
Ripping farts, running snotUgliness
SecretionsOozing, itching puffy spots
Intestinal dribblin's, steaming trots
Growth within your pubic hair
Bug life feels at home in there
