English

-

You're like a person who has a strong sickness

Your congested spit mixed with blood

Is already familiar with me

Why are you screaming so noisily? Ok?
Iâ€™ll wake you up from the dream, why do you feel empty?

Donâ€™t come here, this is my ocean
Donâ€™t think about it, I canâ€™t help you, Iâ€™m busy fighting
This is my ocean, my ocean
Donâ€™t try to cover even the sun that shines on me

The sweet pleasure
swallows me whole

Why are you going about so noisily? Ok?
Iâ€™ll tell you so that it rings out loud and clear

Donâ€™t come here, this is my ocean
Iâ€™m scared that even this place might be contaminated
This is my ocean, my ocean
Donâ€™t try to cover even the sun that shines on me

Donâ€™t
This is my ocean
Donâ€™t try to cover even the sun that shines on me
