

# Lean On Me

## Mitchel Musso

Lean on me, lean on me  
Don't you ever give up on your dreams  
No matter how hard things around you seem  
You gotta keep your head on what you do today  
Keep holdin' on 'cause help is on the way  
When outta the blue your buddies appear  
They're like instant friends and their mission is clear  
Keep workin' together to make it all real  
It's what you'd been hopin' all along you'd feel  
Well you can lean on me  
Lean on me, when you're not strong  
And I'll be your friend, I'll help you carry on  
For it won't be long 'til I'm gonna need  
Somebody to lean on  
You can lean on me to help you stand  
You know I'll be right there, it's part of the plan  
Together today we'll get it done  
At the end of the story the victory is won  
No matter how simple this might sound  
Helpin' someone else is where love is found  
Just reach out your hand to show you care  
The greatest gift is the one you share  
Well you can lean on me  
Lean on me, when you're not strong  
And I'll be your friend, I'll help you carry on  
For it won't be long 'til I'm gonna need  
Somebody to lean on  
Just call  
Just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on  
Just call me, just call  
Just call me, you know you can call  
Just call me, just call  
Just call me, woo!  
Oh oh, oh oh, lean on me  
Lean on me, lean on me  
Oh oh, oh oh, lean on me

Lean on me  
Lean on me, when you're not strong  
And I'll be your friend, I'll help you carry on  
For it won't be long 'til I'm gonna need  
Somebody to lean on  
Just call me, just call  
Just call me, you know you can call  
Just call me, just call  
Just call me
