Trading Our Graves

Adam Green

The words I needed to soothe me
Turned gray from being defenseless
But I had another plan too
Believe it if you're telling me toSharing my home
And everywhere we go is home too
We're trading our graves
Now you'll never have to see me afraid
Unless we are a liar
The call I needed came early
And tried abusing my patience
The words I wanted came through me
And out of confrontation
I asked you what to do with my fists
If she could ever see me like thisSharing my home
And everywhere we go is home too
We're trading our graves
Now you'll never have to see me afraid
Unless we are a liar
Sharing my home
And everywhere we go is home too
We're trading our graves
Now you'll never have to see me afraid
Unless we are a liar
