

PDA (Live @ La Route Du Rock)

Interpol

Yours is the only version of my desertion
That I could ever subscribe to
That is all that I can do
You are a past sinner the last winner
I'm raking all around me
Until the last drop is behind you But you're so cute when you're frustrated, dear
Yeah, you're so cute when you're sedated, dear
I'm resting Sleep tight, dream right, we have two hundred couches where you can
Sleep tight, dream right, we have two hundred couches where you can
Sleep tight, dream right, we have two hundred couches where you can
Sleep tonight, sleep tonight, sleep tonight, sleep tonight You are the only person who's completely certain
There's nothing here to be into
That is all that you can do
You are a past sinner, the last winner
And everything we've come to
Makes you you But you cannot safely say
While I will be away but you will not consider sadly
How you helped me to stray
You will not reach me I am, resenting a position
That is past resentment and now I can consider
And now there is this distance so Sleep tight, grim right, we have two hundred couches where you can
Sleep tight, grim right, we have two hundred couches where you can
Sleep tight, grim right, we have two hundred couches where you can
Sleep tonight, sleep tonight, sleep tonight, sleep tonight Something to say
Something to do
Nothing to say
When there's nothing to do
