Lady, You Shot Me

Har Mar Superstar

Lady, you shot me
On top of the tears you brought me
Broke my one rule, you treated me cruel
Now I lay bleeding,
It's just your love that I'm needing
What else can I do, if you are untrue
I'll get back in line
Behind the other guys
There's a change you'll let me
Back into your heart, never I get apart
And you won't forget me
I don't think I've got
The will to take another shot
But your words they miss me
All my friends tell me to accept the end
But my, my mind won't let me
So please tell me now
If you think you'll mess around
Cause I know you'll kill me
If you'll still make me a clown
Lady, you shot me
All the tears you brought me
Broke my one rule, now you treat me cruel
Now I lay bleeding,
It's just your love that I'm needing
What else can I do now, if you are untrueNow I lay bleeding, all the tears you brought me
You broke my one rule yeah
You've treated me so cruelLady, you shot me
On top of all the tears you brought me
Oh yeah, now I lay bleeding
Oh your love I'm needing
What else can I do now
You are untrue.
