So Tears Won't Fall

Kevin Sharp

One good bye and the world that I knew
Just slips away and dares me to forget it
I know my heart will heal one day if memories will let it
It hurts when everything reminds me of you
So to protect myself, what else can I do?I think of the sun, I think of the rain
I'll count the shadows on the wall, so I won't feel the pain
'Cause if I think of you, my strength will be gone
So I'll do anything at all, so tears won't fallHow I try never to slip and speak your name
It would come so easy
That would just stir the fire again that I swore was cold inside me
I almost loved you, but I stopped just in time
If I'm to save myself, you can't cross my mindI think of the sun, I think of the rain
I'll count the shadows on the wall, so I won't feel the pain
'Cause if I think of you, my strength will be gone
I'll do anything at all, so tears won't fallIf my thoughts would let you through
You'd find your way back somehow
That's not what I need right now
So to protect myselfI think of the sun, I think of the rain
I'll count the shadows on the wall, so I won't feel the pain
'Cause if I think of you, my strength will be gone
So I'll do anything at all
Yes I'll do anything at all, so tears won't fall
