

Happy

Pharrell Williams

[Verse 1:]

It might seem crazy what I'm 'bout to say
Sunshine she's here, you can take a break
Mama - hot air balloon that could go to space
With the air like I don't care, baby, by the way

[Hook:]

Because I'm happy...
Come along if you feel like a room without a roof
Because I'm happy...
Clap along if you feel like happiness is the truth
Because I'm happy...
Clap along if you know what happiness is to you
Because I'm happy...
Clap along if you feel like that's what you want to do

[Verse 2:]

Here comes bad news, talkin' this and that
But give me all you've got, and don't hold it back
Well, I should probably warn you, I'll be just fine
No offense to you, don't waste your time, here's why...

[Hook]

[Bridge:]

Bring me down... can't nothing...
Bring me down... your love is too high...
Bring me down... can't nothing...
Bring me down, I said (let me tell you now)
Bring me down... can't nothing...
Bring me down... your love is too high...
Bring me down... can't nothing...
Bring me down, I said...

[Hook x2]

[Bridge 2:]

Bring me down... can't nothing...
Bring me down... your love is too high...
Bring me down... can't nothing...

Bring me down, I said (let me tell you now)

[Hook x2]
