

I Love

Margo Guryan

I LOVE Words and Music by Margo Guryan
I love, and it makes me feel good inside
I love, and the window of my soul opens wide
I love, and I can't remember why I feel this way

I wake up in the morning, open my eyes

Wonder: is this the world that I awoke in yesterday?
I love, and it's doing good things for me
I live, and yet I'm only beginning to be
I laugh, and the child who's been hangin' round my head

Inside comes out to play

Each day, each day I love
Last verse: Each day, every day I love
