

Take Your Breath Away

Nawlage

It's worse, worse than you think
If truth be told, I'll tell you that you're lovesick
I am sweet, so everybody takes a bite
Dig in, I'm the catalyst to your demise Words are cheap so I'll sell you a line
Like the way you acted that night
Second best is what, what you want
Then it won't cost you that much but me I've got you hanging on every word I say
That don't mean a thing
And you love the way I take your breath away
So I'll take your breath away Have you had, had your day?
Move close and I'll push you away
Play it safe for the sake of keeping some face
Play it safe in the name of keeping your place Do what, what I tell you to
With arms we'll carry this through
Can't wait, can't wait to see you I've got you hanging on every word I say
That don't mean a thing
And you love the way I take your breath away
So I'll take, take, take And I only have eyes for you
And it's so true
And I only have eyes for you
It's the truth, it's the truth
So true, so true, so true, so true And I only have eyes for you
And I only have eyes for you I've got you hanging on every word I say
That don't mean a thing
And you love the way I take your breath away
So I'll take, take, take And I only have eyes for you
And it's so true
And I only have eyes for you
It's the truth, it's the truth, so true
