

# Heavy Metal Heart (Johnny Danger Remix)

[Sky Ferreira](#)

I can feel the heat of the light on my face  
As I'm walking away from you  
I can feel the beat of the night in my chest  
I feel like I'm a galaxy away from you  
I am losing myself, talking to myself in the dark When my body starts to work like a machine  
I can feel the pulse of my heavy metal heart You make my heavy metal heartbeat beat oh oh  
Oh yea my heavy metal heart heart heart oh oh  
Oh yea, you make me feel the pulse of my heavy metal heart  
My heavy metal heartbeat oh oh oh  
Of my heavy metal heart I can see a fish in that smudge, you'll be mine  
Slowly turning away from you  
I can see it all standing outside of time  
Yea, there's only one thing for me, love to lose  
I am losing myself, talking to myself in the dark When my body starts to work like a machine  
I can feel the pulse of my heavy metal heart You make my heavy metal heartbeat beat oh oh  
Oh yea my heavy metal heart heart heart oh oh  
Oh yea, you make me feel the pulse of my heavy metal heart  
My heavy metal heartbeat oh oh oh  
Of my heavy metal heart You turn around to your bike  
I'm never coming back  
The way I was before  
I'm not her anymore  
Anymore  
Anymore You make my heavy metal heart beat  
My heavy metal heart  
You make my heavy metal heart beat  
My heavy metal heart  
You're my heavy metal heart  
My heavy metal heart  
You're my heavy metal heart  
My heavy metal heart  
My heavy metal heart
