And your majesty and grace

Love is what you giving me throughout the years
Every time you need me, I will be there, my dear, I swearThere is no faking no heartbreaking
Like a volcano, this ya true love is shaking
In tender caring we are partaking
Woman, me feel, seh big things ina the makingIntoxication of a certain kind
I will admit that you suit my mind
Palpitation of another kind
Don't fast forward, baby, just rewindJoy ina your eyes, me nuh see no tears
Love is what you giving me throughout the years
Every time you need me, I will be there, my dear, I swearNo mistaking in every thing you do
And I will always be a part of you
Jah, Jah made us and he will see us through
Always and forever, baby girl, this love is trueI've been searching for the longest time
Almost givin' up never thought I would find
Seen many roses die on the vine
But a hidden treasure in you, I man findJoy ina your eyes, me nuh see no tears

Every time you need me, I will be there, my dear, I swearOn the magic carpet we a ride

Fi we togetherness, nuh need no guide
There is nothing to be shame nothing, fi go hideA whole new world awaits
Brighter than the pearly gates
Where love is as strong as fate
And life is about to give and to takeJoy ina your eyes, me nuh see no tears
