

# Burning Wood

**James Reyne**

All these houses in a line  
Saying hey good morning so fine  
Singing oh security so good  
Sticks and stones and tombs of burning wood  
Sticks and stones and tombs of burning wood  
Now that's a fire a big bonfire  
A big 3 story mansion it's a smoldering pyre  
He loves her it clicks  
When I ski I jump for womens tricks  
Snug interior the hand of God  
So much dirty laundry in their backyard  
Ooh, possessions if you could  
Sticks and stones and tombs of burning wood  
Sticks and stones and tombs of burning wood  
Sticks and stones and tombs of burning wood
