

# Don't Cry

## Seal

Don't be so hard on yourself  
Those tears are for someone else  
I hear your voice on the phone  
I hear you feel so alone My baby, ohh, my baby  
Please, my baby, my baby When we were young  
And truth was paramount  
We were older then  
And we lived a life without any doubt Those memories  
They seem so long ago  
What's become of them?  
When you feel like me I want you to know Don't cry, you're not alone  
Don't cry tonight, my baby  
Don't cry, you'll always be loved  
Don't cry tonight, my baby Today I dreamed  
Of friends I had before  
And I wonder why  
The ones who care don't call anymore My feelings hurt  
But you know I overcome the pain  
And I'm stronger now  
There can't be a fire unless there's a flame Don't cry, you're not alone  
Don't cry tonight, my baby  
Don't cry, you'll always be loved  
Don't cry Oh, limousines and sycophants  
Don't leave me now 'cause I'm afraid  
What you've done to me is now the wolf in my bed  
In my head, in my head, in my head The challenges  
We took were hard enough  
They get harder now  
Even when we think that we've had enough Don't feel alone  
'Cause it's I you understand  
I'm your sedative  
Take a piece of me whenever you can Don't cry, you're not alone  
Don't cry tonight, my baby  
Don't cry, you'll always be loved  
Don't cry tonight, sweet baby Don't cry, don't cry  
Don't cry, don't you cry  
Cry, don't cry, 'cause you still be loved  
Don't cry, don't cry tonight Ohh  
My baby, my baby, my baby

Don't cry tonight  
You'll still be loved
