Vic and Ray

Mark Knopfler

A dirty motor with London plates
Sitting in the gutter outside your silent gates
Vic and Ray, Vic and Ray
Vic and Ray, Vic and RayCome to Daddy, baby, what is it worth?
Come to Daddy, the scum of the crying earth
Vic and Ray, Vic and Ray
Vic and Ray, Vic and RayLaughing at each other's pain
They run the heater in the morning rain
This'll pay the rent around the world
Wanna buy a picture of a girlChristmas morning, there they are
Two rent boys wishing on a shining star
Vic and Ray, Vic and Ray
Vic and Ray, Vic and Ray
