Beyond the Veil

Diablo Blvd

Shot down
Get up
Now walk my way
And leave your body lying
I've come to take your ghost away
Now in your time of dying
The fog is closing in
Shot down
Get up
Now walk my way
The ravens black are sighing
The fog is closing in
Feel my touch so cold
Melts away your skin
Your blood is freezing
Look beyond the veil
Tread the path unknown
Ride a horse so pale
And dance with the skeletons
The fog, it draws you in
Feel your body float
Upon the flesh of sin
And the worms are feasting
Look beyond the veil
Tread the path unknown
Ride a horse so pale
And dance with the skeletons
Sleep beyond the veil
Carve your name in stone forever
I'll walk over your grave
And dance with the skeletons
Look beyond the veil
Tread the path unknown
Ride a horse so pale
And dance with the skeletons
Sleep beyond the veil
Carve your name in stone forever
I'll walk over your grave
And dance with theu skeletons

Let's dance
