Prince

Club mix

Club mixHow can I put this in a way so as not to offend or unnerve
There's a rumor goin' all round that you ain't been gettin' served
They say that you ain't you know what
In baby who knows how long
It's hard for me to say what's right
When all I want to do is wrongGett off, twenty three positions in a one night stand
Gett off, I'll only call you after if you say I can
Gett off, let a woman be a woman and a man be a man
Gett off, if you want to baby here I am (here I am)I clocked the jizz from a friend
Of yours named Vanessa Bet (Bet)
She said you told her a fantasy
That got her all wet (wet)
Something about a little box with a
Mirror and a tongue inside
What she told me then got me so hot
I knew that we could slideGett off, twenty three positions in a one night stand
Gett off, I'll only call you after if you say I can
Gett off, let a woman be a woman and a man be a man
Gett off, if you want to baby here I am (here I am)Gett off (Gett off)One, two, three, no, little cutie, I ain't
drinkin' (Gett off)
Scope this, I was just thinkin'
You + me, what a ride
If you was thinkin' the same
We could continue outside (Gett off)
Lay your pretty body against a parkin' meter
Strip your dress down
Like I was strippin' a Peter Paul's Almond Joy
Lemme show you baby I'm a talented boyEverybody grab a body
Pump it like you want somebodyGett off (Gett off)So here we-so here we are, here we are (Gett off)
In my paisley crib
Whatcha want to eat? "Ribs"
Ha, toy, I don't serve ribs,
You better be happy that dress is still on
I heard the rip when you sat downHoney them hips is gone
That's alright, I clock 'em that way
Remind me of something James used to say"I like 'em fat"
"I like 'em proud"
"Ya gotta have a mother for me"Now move your big ass 'round this way

So I can work on that zipper, baby
Tonight your a star
And I'm the big dipper(Kick it)(Gett off)(Gett off)How can I put this in a way so as not to offend or unnerve
