

Newcastle

RF7

Gotta drink, whateverâ€™s free
learned that back, in 83â€™
No chance to make a livinâ€™
A free ride we werenâ€™t given
Bus stops, gotta get off
main thing, donâ€™t get lost
Lots of weeds and freeway signs
see America one day at a time

Back in the bus, gotta go
twist it up, start the show
Dirty nasty filthy clubs
hard to even trust their drugs
Still the price, always free
pass that shit, over to me
Had a shower yesterday
this thing could turn out okay

Newcastle, No Hassle Iâ€™ll play here for free
Newcastle, No Hassle One more round for me

Canâ€™t say, I love the road
best thing, keep me stoned
Anyway looks like weâ€™re here
â€™nother show another beer
Gotta sell, few extra shirts
gotta give, till it hurts
Gotta make it down the road
gotta do another show

Friday night, should be cool
all the kids, outta school
Sunday weâ€™ll be on our way
Monday we wonâ€™t want to play
Gotta drink, whateverâ€™s free
learned that back in 83â€™
No chance to make a livinâ€™
A free ride we werenâ€™t given
