True (Concrete Blonde)

Propagandhi

When I've had enough, I'll get a pick-up truck and drive away
I'll take my last 10 bucks just as far as it will go
Yeah, sometimes I'm easily fooled, I take a painful step and get knocked back two
I do all I can and it's all I can do
True.And if I had the choice, I'd take the voice I got, cuz it was hard to find
Y'know, I've come to far to wind up right back where I started
They tell me who I should be, but I'll never let you fuckers make a mess of me
I do all I can and it's all I can do
True.One more sunset, lay my head down
True
One more sunrise, open my eyes
True.They'll talk you up, they'll talk you down
Begin to doubt. Your reasons seem very far away
Yeah, and I'll stop breathing the day that I can't walk proud, rather walk away
I do all I can and it's all I can do
I do all I can and I do it for you.
