

# My Song

Alessia Cara

Tune in to find my peace and solitude  
These empty rooms spin, and I embrace the flaws of being human  
The black and white, and sometimes the greys that stay for days  
The in-between times, the meantimes that make this song of life sing  
Play, rest, repeat, read exactly what is written on the sheet  
"Don't deviate," they say  
But I will play what's best for me  
I'll press the keys and pull the strings, create a symphony that's mine  
And I'll spend my life penning my song,  
my song  
And the verses I write will speak for me  
Good girls don't make history  
So I may never be what you assume (it's my song)  
Don't want your hooks or auto-tune (it's my song)  
If I'm off-key then that's alright with me (it's my song)  
Oh, and maybe you will learn this when I'm gone (it's my song)  
My song will carry on  
Let go, I let my voice be heard, then listen for the echo  
My own reverb is playing 'cause I'm a movement  
There's dissonance, sometimes I make mistakes  
Oh, I'm human after all, I'm not your expectations  
But play, rest, repeat, that's what they ask of me  
Just stick to this melody and stay between the lines  
But I'll play what's best for me  
I'll ring the bells and crash the cymbals, my harmonious design  
And I'll spend my life penning my song, my  
song  
And the verse I write will speak for me  
Good girls don't make history  
So I may never be what you assume (it's my song)  
Don't want your hooks or auto-tune (it's my song)  
If I'm off-key then that's alright with me (it's my song)  
Oh, and maybe you will learn this when I'm gone (it's my song)  
My song will carry on  
In my time here, I wanna be revered and remembered  
Oh, let them say I came, I conquered  
So I won't fear and I can't blend in  
You can't replace me and you cannot erase me  
'Cause my song will live on beyond time  
And I'll spend my life penning my song, my song  
And the verses I write will speak for me (it's my song)  
Good girls don't make history (it's my song)  
So I may never be what you assume (it's my song)  
Don't want your hooks or auto-tune

If I'm off-key then that's alright with me  
Oh, and maybe you will learn this when I'm gone  
My song will carry on  
And I'll spend my life (my life) penning my song (my song) my song (my song)  
And the verse I write will speak for me  
Good girls don't make history  
So I may never be what you assume  
Don't want your hooks or auto-tune  
If I'm off-key then that's alright with me  
Oh, and maybe you will learn this when I'm gone  
My song will carry on
