

Oh Me Oh My

Beth Hart

To make you laugh, I'd play a fool for you
Although the people turn and stare
I really don't care
I would give my everything to keep you boy
It breaks my heart when you're not there I'll stage a ballet on a tabletop
Command performance finger size
And although I ain't got no tune
My show ain't gonna flop
I'll find the music there in your eyes Oh me oh my
I'm a fool for you baby
Oh me oh my
I am crazy baby
And oh me oh my
I'm a fool for you baby
Come on let your love light shine on me
And we'll blow a genie from a cigarette
And then we'll take a magic carpet ride
Said now yes we will
And we'll tell our smoky friends hey don't you forget
'Cause you've got to keep us side by side Oh me oh my
I am a fool for you baby
Oh me oh my
I am crazy baby
Oh me oh my
I'm a fool for you baby
Come on let your love light shine on me
Come on let your love light shine just a little bit down on me
Come on let your love light shine, shine, shine
Oh me oh my
I'm a fool for you baby
Oh me oh my
Said I'm crazy about you baby
Oh me oh my
I'm a fool for you baby
Come on let your love light shine on me
Shine on me
