

# Come An' Get It

## Whitesnake

Are you woman enough  
To take a man like me?  
Baby, I know what you got  
You make it easy to see Now I wanna give you my loving  
Believe me, babe, it's true  
Maybe more than you bargained for  
But now it's up to you So if you want it, come an' get it  
I got something for you  
If you want it, come an' get it  
I'll leave it up to you Are you a woman who takes  
Anything you want?  
Or the kind who says that you do  
Then tell me later you don't? Now I wanna give you my loving  
I knew the moment we met  
You gotta take me as you find me, baby  
Cos' what you see is what you get So if you want it, come an' get it  
I got something for you  
Now, if you want it, come an' get it  
I'll leave it up to you, it's up to you, baby, ooh Are you woman enough  
To take a man like me?  
Baby, you know what I got  
I make it easy to see So if you want it, come an' get it  
I got something for you  
If you want it, come an' get it  
I'll leave it up to you Now if you want it, come an' get it  
I'll leave it up to you  
Now if you want it, come an' get it  
I got something for you Now if you want it, come an' get it  
I got something for you  
If you want it, come an' get it  
I'll leave it up to you Now if you want it, come an' get it  
I got something for you  
If you want it, come an' get it
