

# Just Like In The Movies

[Jana Kramer](#)

This is who I am  
This is what you get  
No time for the song and dance  
No, no, no apologies  
Take me as I am This is what I did  
This is what I've done  
Tell me baby, are you the one?  
Can you love me just the way I am? Say you love me, love me not  
You love me not  
You say you love me  
What's it gonna be? You could be my king  
I will be your queen  
This could be the real thing  
Just like in the movies  
The perfect ending  
We could be fairytaling, yeah  
The kiss, the whole thing  
Just like in the movies Babe with you and me it's a two-way street  
That's how it's gotta be, yeah, yeah  
Taking on the good, the bad and the ugly You say you love me, love me not  
You love me not  
You say you love me  
What's it gonna be? You could be my king  
I will be your queen  
This could be the real thing  
Just like in the movies  
The perfect ending  
We, we could be fairytaling, yeah  
The kiss, the whole thing  
Just like in the movies  
Just like in the movies Let the past be the past, no need to replay it  
Falling back whenever you say it  
Over and over and over again You could be my king  
I will be your queen  
This could be the real thing  
Just like in the movies  
The perfect ending  
We could be fairytaling, yeah  
The kiss, the whole thing

Just like in the movies  
Just like in the movies
