

The Blind Stagger

The Charlatans

Lord

It's been a long time

And people don't you find

Always leave their troubles at your door

I live on my own

I don't need a bitter soul beatin on about my country anymore

Don't you think your daddy needs you home right awayO ?see it's about time, Can't you for once be strong

I bleed a little to

You're invisible, is there something I can give to you

I see my light come shining

There is good on the horizon

Daylight sneaking through my window

I will give you a rainbow and a bucket full of gold

You been bitten by eleven hungry kittens

Who will go the whole distance while the blind staggerO ?see Let the light shine, Could you for once be strong

I bleed a little to

You're invisible, is there something I can give to you

I see my light come shining

There is good on the horizon

Daylight sneaking through my window

I will give you a rainbow and a bucket full of gold

You been bitten by eleven hungry kittens

Who will go the whole distance while the blind stagger
