Someone New

Paws

It isn't easy to ignore the one that you once most adored when you find out that they're with someone new.
You'd think you have it in your bones to resist the demons and not phone her up to ask her why shes not with you.Do you want to know the truth?
Do you want to know the truth?Id rather pack my bag and leave this time and risk the chance of seeing you arrive unanounced with someone new.
You promised me that we'd be friends now I don't want to see you again, you said it once, twice, three times, we're through.Do you want to know the truth?
Do you want to know the truth?
The truth is I don't want to see you, I don't want to see you, I don't want to see you with someone new.Is he a man am I a boy? my heart is not a fucking toy it breaks whenever I see you with someone new.
Things moved on, i'm still the same and one things certian things will change, Again ill have to find myself someone new.Do you want to know the truth?
Do you want to know the truth?
The truth is I don't want to see you, I don't want to see you, I don't want to see you with someone new.No I don't want to see you
I don't want to see you
I don't want to see you with someone new.No I don't want to see you
I don't want to see you
I don't want to see you with someone new.No I don't want to see you
I don't want to see you
I don't want to see you with someone new.
