

# Arcadia

## Terry Davies & BBC Philharmonic Orchestra

Light up, spark the detonator  
Now I'm homeward bound, way to see you later  
If you make that step you're the instigator  
Got my mind made up, I'll be your navigator  
If you want me to travel over moonlit miles  
For a precious smile  
Following my lonely heart  
Call on me, take me...  
Far over the seas  
I return in my dreams  
Sailing home under the stars  
To be safe in your arms  
Ever near, travel through time  
Ever close in my mind  
Say you will truly be mine  
Say you'll always be mine  
We are a winning combination  
We're two stars aligned in a constellation  
When I get too low  
You're my inspiration  
Never let me down, you're a revelation  
One that comes along once in a lifetime  
Oh I realise  
You give me love free and wild  
Oh my child, lead me...  
Far over the seas  
I return in my dreams  
Sailing home under the stars  
To be safe in your arms  
Ever near, travel through time  
Ever close in my mind  
Say you will truly be mine  
Say you'll always be mine  
Our empire stretches from the deserts  
To the ice fields  
Love and courage can take us anywhere  
We dare to go  
Far over the seas  
I return in my dreams  
Sailing home under the stars  
To be safe in your arms  
Ever near, travel through time  
Ever close in my mind  
Say you will truly be mine  
Say you'll always be mine
