

18 Wheels of Loving

Cooder Graw

Got 18 wheels of loving, and Iâ€™m bringing it home tonight.
Got a single lane, and a heart headed straight to you.
Now, Iâ€™d like to get halfway between the cork and the bottle,
But Iâ€™m putting it off, just to get home to you.

I pulled into Austin, about 10 this morning.
Itâ€™s like a living hell, baby, just to be driving through.
Now, Iâ€™d like to get smashed, on some sour mash.
But Iâ€™m gonna wait baby, and catch a buzz with you.

(Chorus)

Got 18 wheels of loving, and Iâ€™m bringing it home tonight.
Got a single lane, and a heart headed straight to you.
Now, Iâ€™d like to get halfway between the cork and the bottle,
But Iâ€™m putting it off, just to get home to you.

Almost nothing, like the women in Dallas, Texas
They got hundred dollar hair and fifty bucks of makeup on
Well my baby donâ€™t need a dime to make her look good
Yea, sheâ€™s pretty as a flower and Iâ€™m gonna make it home.

(Chorus)

Got 18 wheels of loving, and Iâ€™m bringing it home tonight.
Got a single lane, and a heart headed straight to you.
Now, Iâ€™d like to get halfway between the cork and the bottle,
But Iâ€™m putting it off, just to get home to you.

The radio said thereâ€™s a â€œJohnny-Lawâ€• in Estelline
The olâ€™ 287 ainâ€™t ever been a free ride.
Iâ€™m gonna make up time on the other side, donâ€™t worry.
Iâ€™m gonna park this 18 wheeler right by your side.

(Chorus)

Got 18 wheels of loving, and Iâ€™m bringing it home tonight.
Got a single lane, and a heart headed straight to you.
Now, Iâ€™d like to get halfway between the cork and the bottle,
But Iâ€™m putting it off, just to get home to you.

I said Iâ€™m putting it off just to get home to you

Oh yea, Iâ€™m putting it off just to get home to you.
