

# It's Only Entertainment

## Josh Joplin Group

One, two, three, four Richard is important to Richard  
And his most important friends  
He doesn't take phone calls  
He sits in his office and pretends  
He's Atticus Finch, he's everybody's mensh And when it comes to clients  
He counts himself among the very best  
But when it comes to stature  
He only counts the size of other men's desks  
He's counting every inch, he's counting every inch And it's only entertainment  
And it's only entertainment  
Don't make it so hard  
Don't make it so hard Amanda of the underground  
Brings high art to her lo-fi sound machine  
Her nifty hipster friends agree  
A band is only as good as it's seen  
Save us Polly Jean, we know not what we mean And it's only entertainment  
And it's only entertainment  
Don't make it so hard  
Don't make it so hard Freddie's demographic grows  
Angry boys in baggy clothes  
Critics eulogize the songs  
As record store clerks mourn along  
And the years go by and the chords don't change  
We're all Pat Boone by different names And it's only entertainment  
And it's only entertainment  
Don't make it so hard  
(It's only entertainment)  
Don't make it so hard  
Don't make it so hard  
(It's only entertainment)  
Don't make it so hard You take it so hard  
(It's only entertainment)  
We take it so hard  
(It's only entertainment)
