

Half of My Mistakes

[Radney Foster](#)

Half of my mistakes I've made stone cold sober
Half of my mistakes Ive made at closing time
Half the time I never saw it coming until it was over
Oh, and half of my mistakes Ive made with love on the line
Half of my mistakes I swear I should've known better
Half of my mistakes were just amongst friends
You get a little distance on it, the truth is clearer
Oh, and half of my mistakes Id probably make em again
If I had it all to do over
Im sure Id win and lose just as much
Spend a lot less time on right and wrong
And a lot more time on love
Half of my mistakes Ive made cause I was moving too quickly
Half of them were made cause my heart was moving too slow
Nobody can tell you a damn thing if you aint listening
Oh, and half of my mistakes Ive made cause I couldnt let go
If I had it all to do over
Im sure Id win and lose just as much
Spend a lot less time on right and wrong
And a lot more time on love
Half of my mistakes Id give anything to change how it ended
Oh, and half of my mistakes God, I wouldnt change one thing
You can lean too hard on a prayer but I dont recommend it
Cause half the good things in my life came from half of my mistakes
Yeah, a lot of good things in my life came from half of my mistakes
