If You Say Go

Blanca

Iâ€™m standing on the edge of the ledge
So afraid of falling
Unsure, insecure, how could I
Be the one Youâ€™re calling

But I can hear Your voice
I know Youâ€™ve brought me here
And I will make the choice
To believe and not fear

If You say go, Iâ€™m not gonna wait
If You say move, I wonâ€™t hesitate
Wherever it is that Youâ€™re taking me to
Iâ€™m gonna trust in You
If You say go

Every thought, every goal, every dream
Canâ€™t compare to Your plans
So every breath, every need, everything
God, itâ€™s all in Your hands

I can hear Your voice
I know Youâ€™ve brought me here
And I will make the choice
To believe and not fear

Youâ€™re before me, behind me
Everywhere Youâ€™re with me
I know Iâ€™m never, never alone
So wherever You lead me
God, thatâ€™s where Iâ€™m gonna be
If You say go
