At the starting of the week

At summit talks you'll hear them speak

It's only Monday

Negotiations breaking down

See those leaders start to frown

It's sword and gun day Tomorrow never comes until it's too late (Come come come come come with it) (x2) You

could be sitting taking lunch

The news will hit you like a punch

It's only Tuesday (What time is it?)

You never thought we'd go to war

After all the things we saw

It's April Fools' day (What time is it?) Tomorrow never comes until it's too late

Tomorrow never comes until it's too late [Mos Def]

Tomorrow is another day

Today is another boom

Tomorrow is another day

Today is another, boom

Tomorrow is another day

Today is another boom

Tomorrow is another day

Today is another

(boom boom ba ba ba ba boom ba ba ba ba boom ba ba ba ba ba) (x4) (Slow it down,.)

SHOT!

Never Station

Generation

Separation

Dissipation

Shot!

Another shot another shot the tender is to (?)

The heart is cold the gun is hot (Shot)

Im not sure if they feeling that

Im not sure if they wanna stop

The gun is cold the blood is hot (Shot)

(Sha Sha Sha Sha Sha Sha Shot)

The hearts are weak the guns are not [DJ Shadow]

You hear a whistling overhead

Are you alive or are you dead?

It's only Thursday (What time is it?)

You feel the shaking on the ground

A million candles burn around

Is it your birthday? (What time is it?) Tomorrow never comes until it's too late

Get tomorr' on the phone, Tryna be smart, Get tomorr' on the phone)

Tomorrow never comes until it's too late

(I need to see tomorr', Tryna reach tomorr')

Think tomorrows come I think it's too late [Mos Def]
