

Go Down

Ken Hensley

She sits so quietly
At the window by the door
Wondering if she'll
 Ever smile again
Her eyes filled with memories
 And her life in sad array
Unaware of the colours of the day
 She dare not cry for fear
 Her hope might disappear
 But if she cared to try
I know it all could be so clear

 But she's living in the past
She didn't know it wouldn't last
And it's a long, long, lonely road
 Oh, to go down

The treasured names
You call each other just for fun
 And as you woke
 She kissed your eyes
You killed it all when it had
 Only just begun
What's it take to make you realise

Love isn't easy though
Many like to think it is
 But you must learn
To give and take or know
 What you will miss

 But she's living in the past
She didn't know it wouldn't last
And it's a long, long, lonely road
 Oh, to go down
