

# Tom Waits (2 Meter Sessies)

## Anouk

I was dreaming last night  
A figment of my brain  
On the downtown train  
And we had nowhere to go So we got off to take a walk  
In the pouring rain  
You said you rode it once  
And you would ride it again  
Please take me with you Tom waits for the morning train  
To take us away  
Me and mr. Tom Waits  
Can't wait no more I'm wrapped around your finger  
Two fingers on my lips  
No need to speak  
Cause it's all in our eyes When they turned out the lights  
They gave us one for the road  
We headed for the tracks  
And never looked back  
This could never be real Tom waits for the morning train  
To take us away  
Me and mr. Tom Waits  
Can't wait no more  
Can't wait no more  
On the downtown train  
Me and mister tom waits
