

For Love or Money

Breathe

My desire for love had overcome my senses
I longed for someone who could hold me
An open heart lets go of all defenses
Her real intentions had been there to see

I believed it right to keep my devotion
It's so hard to fight when dreams are in motion

For love or money
Do you give me your affection
For love or money
Do you play with my emotions

Only time can tell the truth in all our feelings
It's cruel to think that you could use me so
When we're blind with love, too much can be deceiving
I must confess this thought; I'm scared to know

I believed it right to keep my devotion
It's so hard to fight when dreams are in motion

For love or money
Do you give me your affection
For love or money
Do you play with my emotions

Do you live a lie, you keep so much inside
Will you bleed me dry? One fear I just can't hide

For love or money
Do you give me your affection
For love or money
Do you play with my emotions

For love, for love, for love, for love or money
Do you give me your affection
For love, for love, for love, for love or money
Do you play with my emotions

For love or money

Do you give me your affection
For love or money
