

# Not For Long (feat. Trey Songz)

B.o.B

You will be mine  
Even if you're somebody else  
Girl not for long, girl not for long  
'Cause I'm your type  
If you've got the wrong impression  
Girl not for long, girl not for long Maybe not today, maybe not tomorrow  
Maybe at the club, maybe at the bar  
I wanna show you off like a trophy car (whip it)  
'Cause anything is better than nothing at all  
Nothing at all, nothing on you  
I just wanna show you a table for two  
All you did was go on a date with a dude  
You know he don't fit, he ain't tailored for you  
You just on a nigga dick cause cause he sold a brick  
Has he ever wrote a hit on some poet shit?  
That's who you chillin' on the sofa with?  
I ain't trippin', in a minute it'll be over with, aye You will be mine  
Even if you're somebody else  
Girl not for long, girl not for long  
'Cause I'm your type  
If you've got the wrong impression  
Girl not for long, girl not for long Ooh ooh, ooh, ooh, ooh, ooh, ooh, ooh  
(But not for long)  
Girl not for long  
Girl not for long Ooh ooh, ooh, ooh, ooh, ooh, ooh, ooh  
(But not for long)  
Girl not for long  
Girl not for long When they see us together, hell naw they can't stand it  
I wonder if you're matchin' you bras with them panties  
A gorgeous skin tan, hit the mall and do damage  
The way she hit the high notes, we all gon' have Grammys  
This marble not granite (Tiptoein')  
From the counter, to the shower, for a hour  
Super powers, super powers  
That's that mojo, Austin Powers  
Search "real nigga", I'ma pop up in your browser  
Aye, so go and get your body wet  
Panties off, we ain't made it to the lobby yet  
Put you on game girl so it's obvious

I gave you the world if you ain't got it yet  
Bobby You will be mine  
Even if you're somebody else  
Girl not for long, girl not for long  
'Cause I'm your type  
If you've got the wrong impression  
Girl not for long, girl not for long Ooh ooh, ooh, ooh, ooh, ooh, ooh  
(But not for long)  
Girl not for long  
Girl not for long Ooh ooh, ooh, ooh, ooh, ooh, ooh, ooh  
(But not for long)  
Girl not for long  
Girl not for long You might leave with someone else  
But I still see that you fiend a be with a G like me  
You'll never need, no one else  
And I know you know  
I'ma be like I told you so You will be mine  
Even if you're somebody else  
Girl not for long, girl not for long  
'Cause I'm your type  
If you've got the wrong impression  
Girl not for long, girl not for long Ooh ooh, ooh, ooh, ooh, ooh, ooh  
Girl not for long  
Girl not for long Ooh ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Girl not for long  
Girl not for long
