

Take Me Away (Into The Night)__Vocal Radio Mix

4 Strings

A shining light
Another day turns into night
Eternal fire
Waited all my lifeTake me away
A million miles away from here
Take me away
Find a place for you and meYou're taking me higher
High as I could be
You take me away
Forever you and me
Take me awayThe tears I cried
Kept them all inside
I needed time
To make up my mindTake me away
Million miles away from here
Take me away
Find a place for you and meYou're taking me higher
High as I could be
You take me away
Forever you and me
Take me awayTake me away
A million miles away from here
Take me away
Find a place for you and meYou're taking me higher
High as I could be
You take me away
Forever you and me
Take me away
