

# Semi Detached Suburban Mr James

**Manfred Mann**

So you finally named the day when wedding bells will chime  
I was sorry to hear you say, you're gonna be his not mine  
Do you think you will be happy, giving up your friends  
For your semi-detached suburban Mr. James So you finally got your man, I hope you won't regret it  
He can't love you the way I can, so please don't you forget it  
Do you think you will be happy, buttering the toast  
Of your semi-detached suburban Mr. Most I can see you in the morning time  
Washing day, the weather's fine  
Hanging things upon the line And as your life slips away, ay, ay - yeah So you finally named the day when  
wedding bells will chime  
I was sorry to hear you say, you're gonna be his not mine  
So you think you will be happy, taking doggie for a walk  
With your semi-detached suburban Mr. James (semi-detached suburban Mr. James)  
Semi-detached suburban Mr. James  
So you finally named the day  
So you finally named the day  
So you finally named the day (semi-detached suburban Mr.)  
So you finally named the day (semi-detached suburban Mr.)  
So you finally named the day (semi-detached suburban Mr.)  
So you finally named the day (semi-detached suburban Mr.) (fade)
