

# Cinnamon Balls

## **Obsidian Kingdom**

She'll remember this day  
As if it just had happened  
A stain of piss in the snow

Who said joy is a name for a (girl)?Feel the smell of the boss

It will reek on your skin till you're old

The cries...

She said no like ten thousands of times

They were met with a smile

Then he snarled like a dog

Left the car while the seats were still warm

Still the windows are covered with frost
