

# Fold

## [Archive](#)

I've been walking through the park  
I've been walking in the dark  
I've been walking in the rain  
I've been walking with with so much pain  
I've been walking in the sun  
And it's bought me so much fun  
Lyin' on a beach  
Darkness out of reach  
The world is not so cold  
But still it makes me fold  
So hold me and keep me sailing  
Hold me close to you  
Keep me from failing  
Disappearing from you  
Keep those clouds dispersing  
Never leave my side  
Don't let that peaceful water  
Don't let it subside  
Don't let my head confide  
Don't let my head collide
