Lazy Gun

Jet

Lazy gun messed up my television, yeah
You get no younger from those colors in your hair
You teach your kids how they're all young enough to fight
You talk about the answer tell them they're alright
Change nothing
Future's in
Close the door
Wear a name
Be the same
Take some more
Lazy gun messed up my television fun
Shoot the shotgun but the war is never won
Who's the enemy, who's sucking on my sun?
I'm the only one left now you've taken all my fun
Change nothing
Future's in
Close the door
Wear a name
Be the same
Take some more
Change nothing
The future's in
Close the door
Change nothing
The future's in
Close the door
Wear a name
Be the same
Take some more
Change nothing
The future's in
Close the door
