

Lazy Gun

Jet

Lazy gun messed up my television, yeah
You get no younger from those colors in your hair
You teach your kids how they're all young enough to fight
You talk about the answer tell them they're alright

Change nothing

Future's in

Close the door

Wear a name

Be the same

Take some more

Lazy gun messed up my television fun
Shoot the shotgun but the war is never won
Who's the enemy, who's sucking on my sun?
I'm the only one left now you've taken all my fun

Change nothing

Future's in

Close the door

Wear a name

Be the same

Take some more

Change nothing

The future's in

Close the door

Change nothing

The future's in

Close the door

Wear a name

Be the same

Take some more

Change nothing

The future's in

Close the door
