# I Have Never Done Anything For Anyone That Was Not

## Moneen

We're the same
We're the same wayDreaming, dreaming
To reward the devil
Let him know who you areAnd you reuse excuses
Let him know who you are
Dreaming againYou, so damn sure
And if you're so sure, well
Dreaming againDreaming, dreaming
To reward the devil
Let him know who you areAnd you reuse excuses
Let him know who you are
Dreaming again
Dreaming againLet him know who you are
Let him know who you are
Let him know who you are
Let him know who you areReward the devil
Reward the devil
Reward the devil
Reward the devilYou wait too long
(Reward the devil)
You wait too long
You wait too long
(The devil)
You wait too long
(Reward the devil)Reward the devil
