

# Get Down Woman

## Creedence Clearwater Revival

Well, get down woman, before I have to go.  
Well, get down woman, before I have to go.  
You know, ya hurt me with your bad mouth,  
An' I just don't want to know. Well, slow down, baby, and gimme a little time.  
Well, slow down, baby, and gimme a little time.  
If you want me hangin' 'round, Gotta give me some peace of mind. Oh, get down boy.
