

# Mirage (Mixhell Remix)

## Ladytron

Footsteps cross the school yard  
Holding hands with a mirage  
You don't listen  
You do not exist Mute of all suggestion  
The broken doll in question  
Through shattered mirror  
Empty caravel You mirage, mirage  
That sings to me  
Or maybe stopped hearing  
You do not exist Two tracks through the desert  
Sad eyes, little puppet  
You don't listen  
You do not exist Happy not to notice  
The room, the traps, the focus  
Where you cannot see  
Reflections from within You mirage, mirage  
That sings to me  
Or maybe stopped hearing  
You do not exist
