

# People

## Nico & Vinz

[Verse 1:]

If everybody were poor we would all be rich  
If everybody up on this Earth were poor we would all be rich  
    If I had no work I would enjoy life  
        I would put my family first  
    I would spend some time with my baby  
        I would love them more and more  
If I was poor I'd cut down trees to build my roof  
    I'd hunt in the forest  
        Get my fish from the ocean  
Yeah, and we would live like the king and the queen  
    And we would have a little princess or prince  
        We would never have felt more free

[Chorus:]

People, people will always be people to me  
Yeah, people, people will always be people to me  
    Yeah, we do wrong, we do right  
    Yeah, we do wrong and we do right  
    Yeah, we do wrong and do right  
Cause people will always be people to me

[Verse 2:]

Here comes another Friday (Friday)  
    I haven't had work in weeks  
    I just wanna make a living (living)  
    And I promise I wouldn't need the sleep  
If I could work everyday, work everyday, work everyday  
    Oh no, work everyday, work everyday, work everyday  
        I, I'd even work at night  
        I'd never take a day off rest of my life  
I would send the kids to school, make sure they're alright  
    And make sure they're better than I, better than

[Chorus]
