

# Bitin' The Bullet

## Grouplove

You're bitin', you're bitin' the bullet  
Just like you, just like you just shouldn't  
You're bitin', you're bitin' the bullet  
Just like you, just like you just shouldn't Yeah, I been going all night long  
Feeling mighty strong  
Yeah, I've been up for days  
I'm trying to find my way You're bitin', you're bitin' the bullet  
Just like you, just like you just shouldn't  
You're bitin', you're bitin' the bullet  
Just like you, just like you just shouldn't And all day long  
You've been with everyone  
Yeah, all day long  
Well, you've been with You're bitin', you're bitin' the bullet  
Just like you, just like you just shouldn't  
You're bitin', you're bitin' the bullet  
Just like you, just like you just shouldn't People cause nightmares  
Then they get to the tracks, they're behind us  
Wishing they could time us  
But the rocks gonna make you shine brighter  
And maybe we'll tire  
So I found a gun for you to fire  
Boom!  
Red bullets like a tiger  
But the wings like a bird so I fly ya And all day long  
You've been with everyone  
Yeah, all day long  
Well, you've been with everyone  
Yeah, all day long  
Well, you've been with You're bitin', you're bitin' the bullet  
Just like you, just like you just shouldn't  
You're bitin', you're bitin' the bullet  
Just like you, just like you just shouldn't  
You're bitin', you're bitin' the bullet
