

Medicated Goo

Traffic

Pretty Polly Possum what's wrong with you?
Your body's kind a weak and you think there's nothing we can do
Good Golly Polly shame on you
'Cause Molly made a stew that'll make a newer girl out of you So follow me, it's good for you
That good old fashioned medicated goo
Ooo, ain't it good for you?
My own homegrown recipe'll see you through Freaky Freddy Frolic had some I know
He was last seen picking green flowers in a field of snow
Get ready Freddy, they're sure to grow
Mother nature just blew it and there's nothing really to it I know So follow me, it's good for you
That good old fashioned medicated goo
Ooo, ain't it good for you?
My own homegrown recipe'll see you through Auntie Franny Prickett and uncle Lou they made some goo
Now they really sock it to their friends
Frantic friends and neighbors charge the door
They caught a little whiff now they're digging it and seeking more So follow me, it's good for you
That good old fashioned medicated goo
Ooo, ain't it good for you?
My own homegrown recipe'll see you through So follow me, it's good for you
That good old fashioned medicated goo
Ooo, ain't it good for you?
My own homegrown recipe'll see you through
