

Do Your Thing

*NSYNC

Waiting, for your piece of the pie to drop out of the sky
Gotta go get it

Hesitating, for somebody else to run and pass you by
But you never get your time There ain't no excuse for losing your feet
Drowning in your defeat, on this road of life
(Do your thing)

There ain't no excuse for coming up short
The ball is in your court so reach up and touch the sky Are you doing your thing and doing it well
Are they looking at you hating singing, ooh
Are you doing your thing and doing it good
Do your thing thing
Do your thing thing
(Do your thing)

Do your thing, ooh Keeping yourself from taking on your perfect dream
You gotta be open

And being something somewhere that you read in a magazine
But you never let you shine There ain't no excuse for losing your feet
Drowning in your defeat, on this road of life
(Do your thing)

There ain't no excuse for coming up short
The ball is in your court so reach up and touch the sky Are you doing your thing and doing it well
Are they looking at you hating singing, ooh
Are you doing your thing and doing it good
Do your thing thing

Do your thing thing Are you doing your thing and doing it well
Are they looking at you hating singing, ooh
Are you doing your thing and doing it good
Do your thing thing

(Believe can nobody do it better than you)

Do your thing thing

(Believe can nobody do it better than you) Are you doing your thing, well

Are you letting your dreams, come alive

Are you doing your thing, good

Believe can nobody do it better than you

(Can your body do it well, yeah)

Believe can nobody do it better than you Gotta walk, gotta break, gotta call, gotta take

Everything that I pray everyday for

Gotta hump, gotta bump, never sit on a stump

Never quit on a swell of a lump If you really want it bad

You can't ever drag your feet to the beat of the sound of defeat
Even if you got heat, whoa
Never take your mind off the reap you sow...(There ain't no excuse)
There ain't no excuse for losing your feet
(Losing your feet)
Drowning in your defeat, on this road of life
(Do your thing)
There ain't no excuse for coming up short
(Do your thing)
The ball is in your court so reach up and touch the sky
(Sky)Are you doing your thing and doing it well
Are they looking at you hating singing, ooh
Are you doing your thing and doing it good
Do your thing thing
(Believe can nobody do it better than you)
Do your thing thing
(Believe can nobody do it better than you)Are you doing your thing and doing it well
Are they looking at you hating singing, ooh
Are you doing your thing and doing it good
Do your thing thing
(Believe can nobody do it better than you)
Do your thing thing
(Believe can nobody do it better than you)Are you doing your thing and doing it well
Are they looking at you hating singing, ooh
Are you doing your thing and doing it good
Do your thing thing
(Believe can nobody do it better than you)
Do your thing thing
(Believe can nobody do it better than you)Do your thing, do your thing, baby
Do your thing, all them looking at ya, all them looking at ya
(Believe can nobody do it better than you)
(Believe can nobody do it better than you)Yeah
Yeah
Yeah
Yeah
(Believe can nobody do it better than you)
(Believe can nobody do it better than you)
OohDo your thing
You do your thing
Do your thing
You do your thing
