

Prisoner of Love

Perry Como

Alone from night to night youll find me
Too weak to break the chains that bind me
I need no shackles to remind me
Im just a prisoner of loveFor one command I stand and wait now
From one whos master of my fate now
I cant escape for its too late now
Im just a prisoner of loveWhats the good of my caring
If someone is sharing those arms with me?
Although she has another
I cant have another for Im not freeShes in my dreams awake or sleeping
Upon my knees to her Im creeping
My very life is in her keeping
Im just a prisoner of loveWhats the good of my caring
If someone is sharing those arms with me?
Although she has another
I cant have another for Im not freeShes in my dreams awake or sleeping
Upon my knees to her Im creeping
My very life is in her keeping
Im just a prisoner of love
